Battleship Missouri Memorial

Since opening in January 1999, the Battleship Missouri Memorial has attracted more than 9-million visitors from around the world with a fascinating tour experience showcasing the USS *Missouri*'s unique place in history. Located a mere ship's length from the USS Arizona Memorial, the Mighty Mo completes a historical visitor experience that begins with the "day of infamy" and sinking of the USS *Arizona* in Pearl Harbor on December 7, 1941 and ends with Japan's formal surrender aboard the USS *Missouri* in Tokyo Bay on September 2, 1945.

The USS *Missouri* had an astounding career over five decades and three wars – World War II, the Korean War, and Desert Storm – after which it was decommissioned and donated to the USS Missouri Memorial Association, Inc., a 501(c)(3) non-profit organization. The Association operates the Battleship Missouri Memorial as a historic attraction and oversees her care and preservation with the support of visitors, memberships, grants, and donations.
